Yes – 100% (2 said "Hell, yes!") many said YES loads of times. ☺

As you may have noticed during the closing session, the girls also took the time to write quite lengthy comments. For reserved girls, they had so many wonderful, positive things to say:

- All of it was amazing and life changing, I totally enjoyed it. You have inspired me to trust in myself and love the way I am as I am a beautiful person inside and out. Everyone is unique and we should treat them as equals. Khodi Rae
- What a wonderful experience! ☺ I loved it when we talked about how words affect us at it was so true. We need to be strong and we are powerful, and truly, we are beautiful. Victoria
- It was o good, I learnt so much stuff, you are all so kool and showed us u don't have to be beautiful 2 feel good about yourself. Hannah
- I loved it, thank you so much. I learnt I am a warrior, I should stop comparing myself to others and not hide myself. I shouldn't worry so much about my weight. Anon.
- Great day! I loved the make up with Mel as she taught me most photos are air brushed, and I learnt that people think more of me than I thought they did. Brooke
- I feel so good about myself after this! I loved it! I learnt I am beautiful, I have good friends and that people love me for who I am. Cassie
- I thought it would be a gay workshop but you are great! I felt like I HAD TO LISTEN and I loved it. I like myself. ☺ Kate
- Just be yourself, all of it was really good and informative. Some parts were so exciting! Kathryn
- Get the Look Right showed me how to enhance my features rather than cover up. I think Danni is amazing as what she is doing is really great and she really cares for us and shows us how special we are. Staci
- WOW!!! It was better than I expected, my expectations were so high but you exceeded them SOOOOO much! All of it was personal, you connected with us and allowed us to connect with each other. Jacque Wallis

- Finding out what other girls thought really tied it all together, girls aren't all bitchy; don't follow stereotypes as they are not all real, we are all unique and different. I love you. Annalese
